Case: *Peter Beasley v. Society of Information Management,*
Dallas Area Chapter, et al.

LISA MATZ
Clerk

Amended Docketing Statement

Dear Clerk:

I noticed on the on-line representation for this appeal the court mistakenly has attorneys Daena Ramsey and Andrew Gardner listed as attorneys for Appellees. I called this fact to Ms. Ramsey's attention early this morning, and indicated I would correct the error.

Ms. Ramsey indicated she does not mind getting notices from the court, as she is co-counsel with me acting *pro se* in the trial proceedings. See, attached.

Ms. Ramsey is not representing any party in these proceedings. If there is a way to honor her desire to receive notices, that is fine, otherwise, it probably avoids confusion if she and her office are removed from the docket listing.

Sincerely,

Peter Beasley

cc: Daena Ramsey
Andrew Gardner

Soña Garcia
Peter Vogel

I don't mind, I am just concerned that I am the only one on the email so I don't know if you are getting them or if they think I am lead counsel on these filings.
